

Dear Parents/Guardians/Community Member:

Our focus at Jackson Christian Elementary is to promote Career Awareness/Readiness. In an effort to better inform our students, we are hosting a **2nd Annual Career Fair**. Our goal for this program is to introduce a wide variety of occupations to our students. We believe that this kind of endeavor will lead to more informed choices of careers by our students in the future.

We need your help on **Tuesday, March 19th** to help us promote different careers that exist throughout our community. Are you a professional painter? Bring a drop cloth and wear your painting clothes. Are you a landscaper? Bring some of your tools and give our students a glimpse of your day. Are you an architect? Bring some of your drafts and pictures of your finished designs. If you are a chef, a mechanic, a cosmetologist, or any other profession please consider participating. We would love for you to host a table where students will be visiting in rotating groups and listen as you share about your career in a six to ten minute presentation. The Career Fair will last from 8:30-11:30. As a token of appreciation, we will provide lunch before you leave.

If you are interested in participating, please complete the attached Google Form. Additional information will be sent to you at that time. We are confident that our students will enjoy listening to you and benefit from your presentation. We know you will find the experience to be rewarding as well.
